SOUTH CAROLINA'S STATE PENSION BOARD

How the South Carolina Retirement System Investment Commission puts retirees and taxpayers at risk

Curtis M. Loftis, Jr., State Treasurer

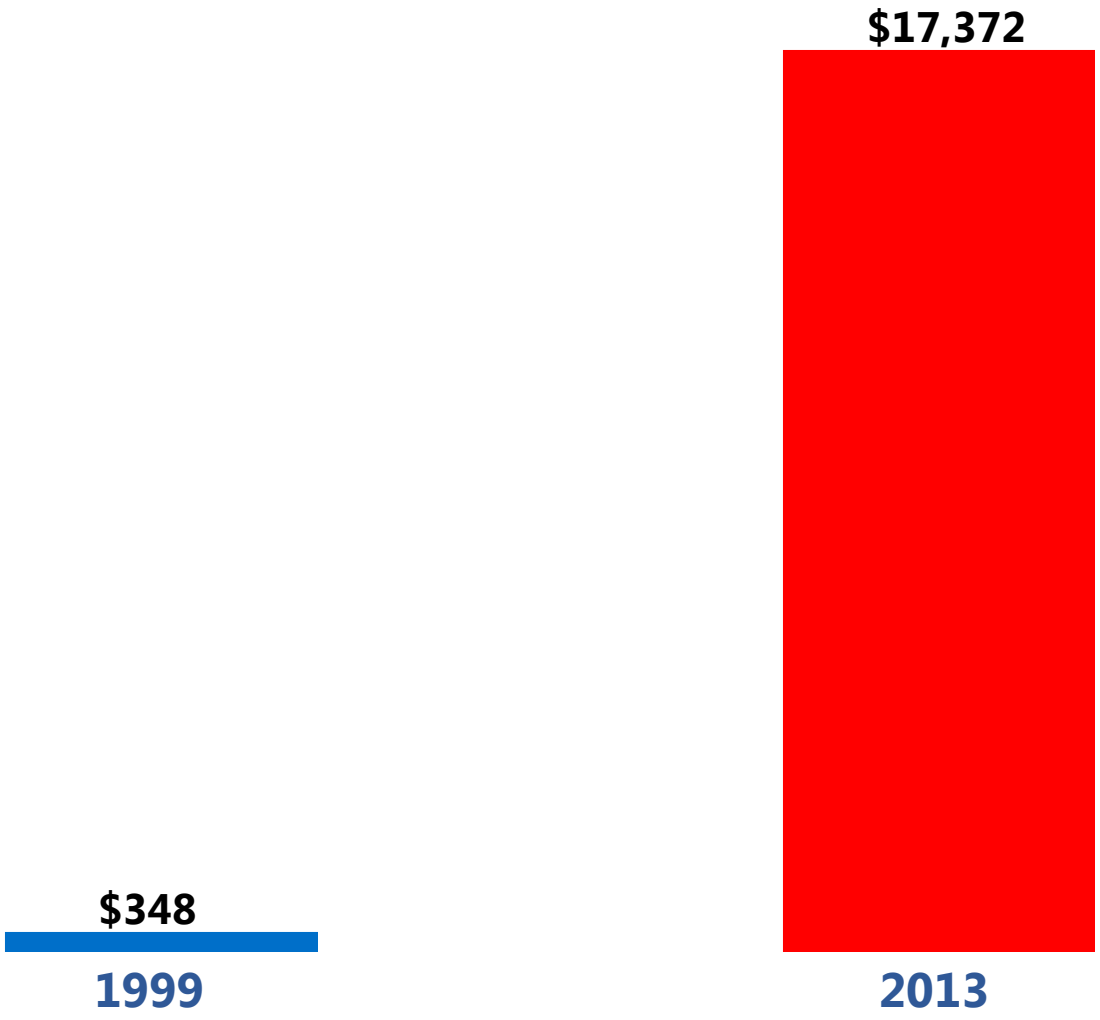
January 9, 2014

The South Carolina Retirement System Investment Commission:

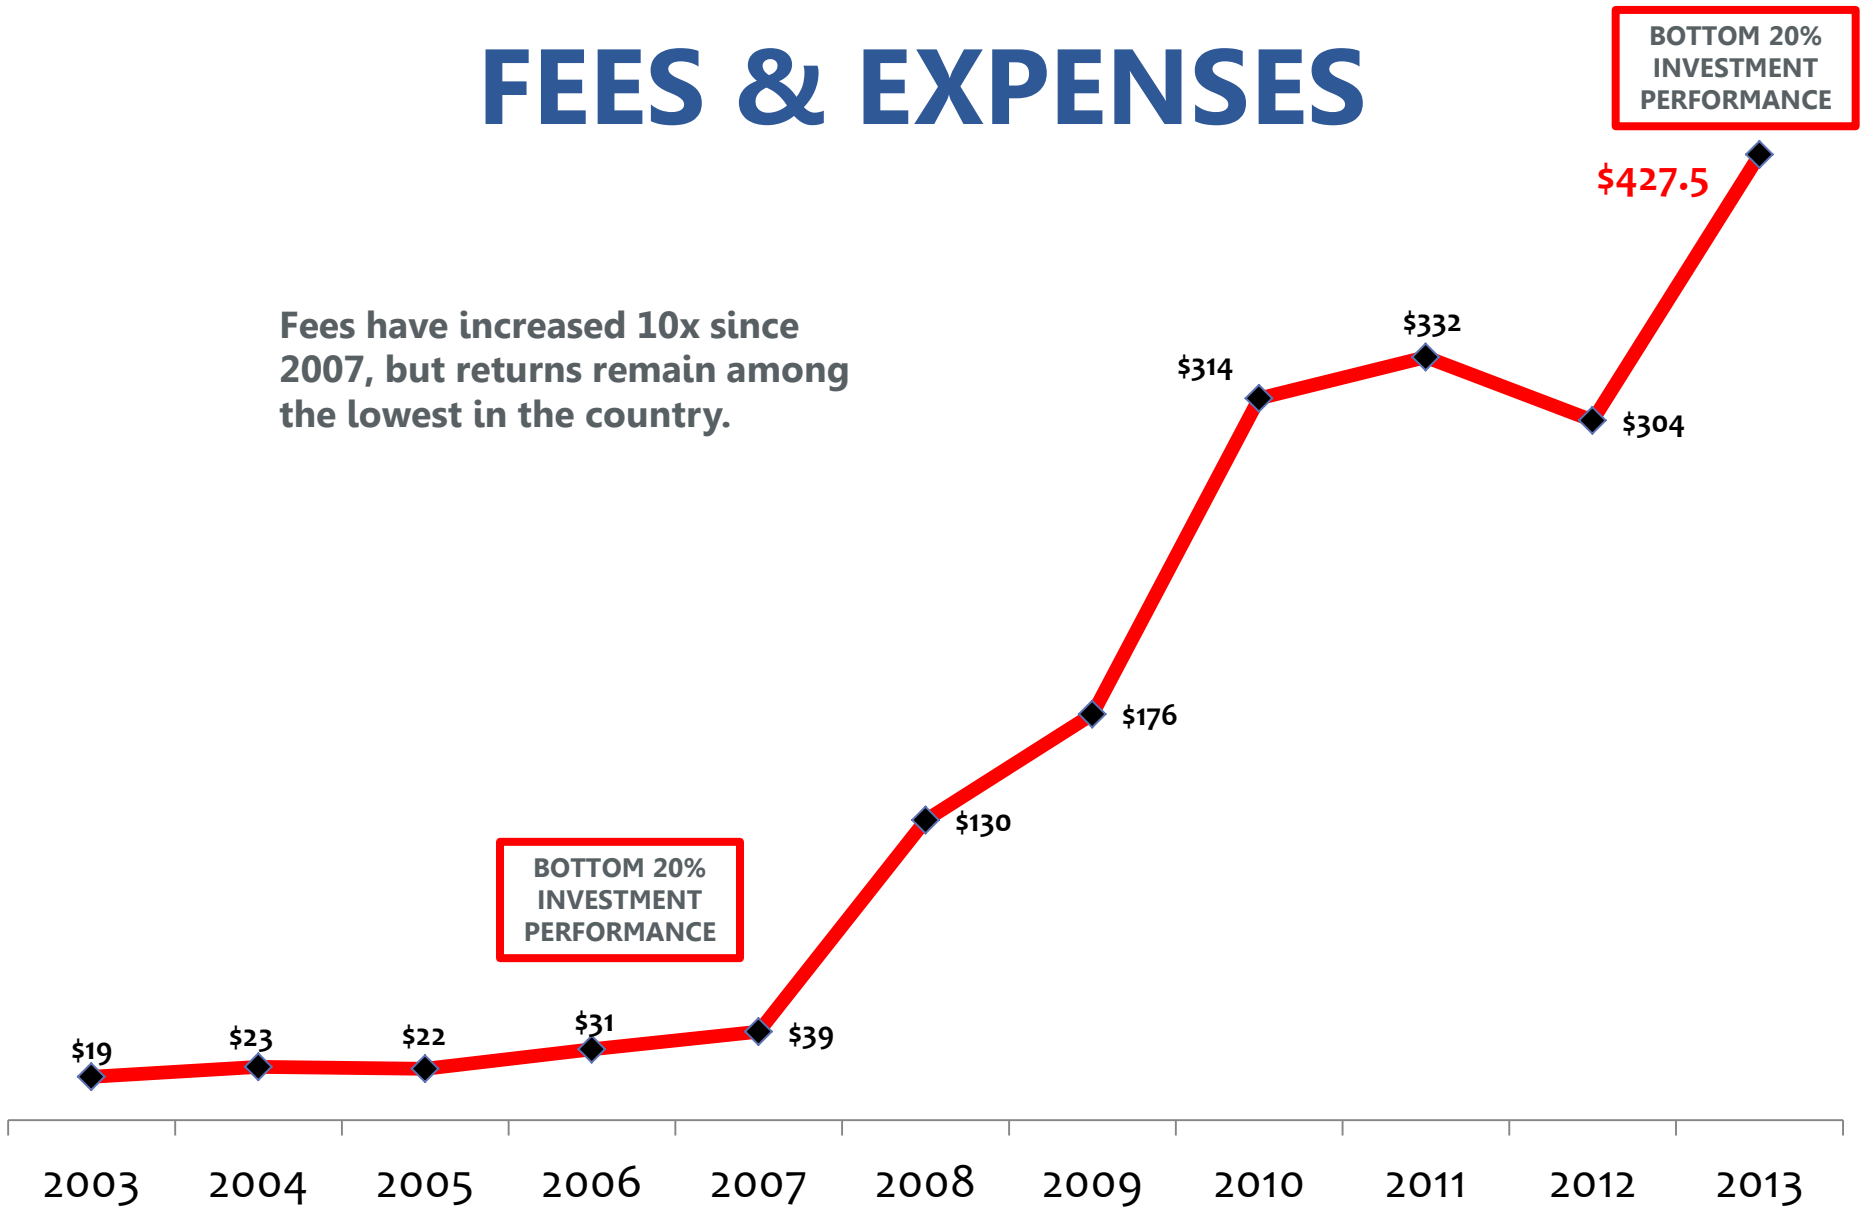
1. We pay too much
2. We earn too little
3. Our portfolio is overly expensive and complex
4. Puts Retirees and Taxpayers at risk

UNFUNDED ACTUARIAL LIABILITY

1999 TO 2013 ACCRUED (IN MILLIONS)

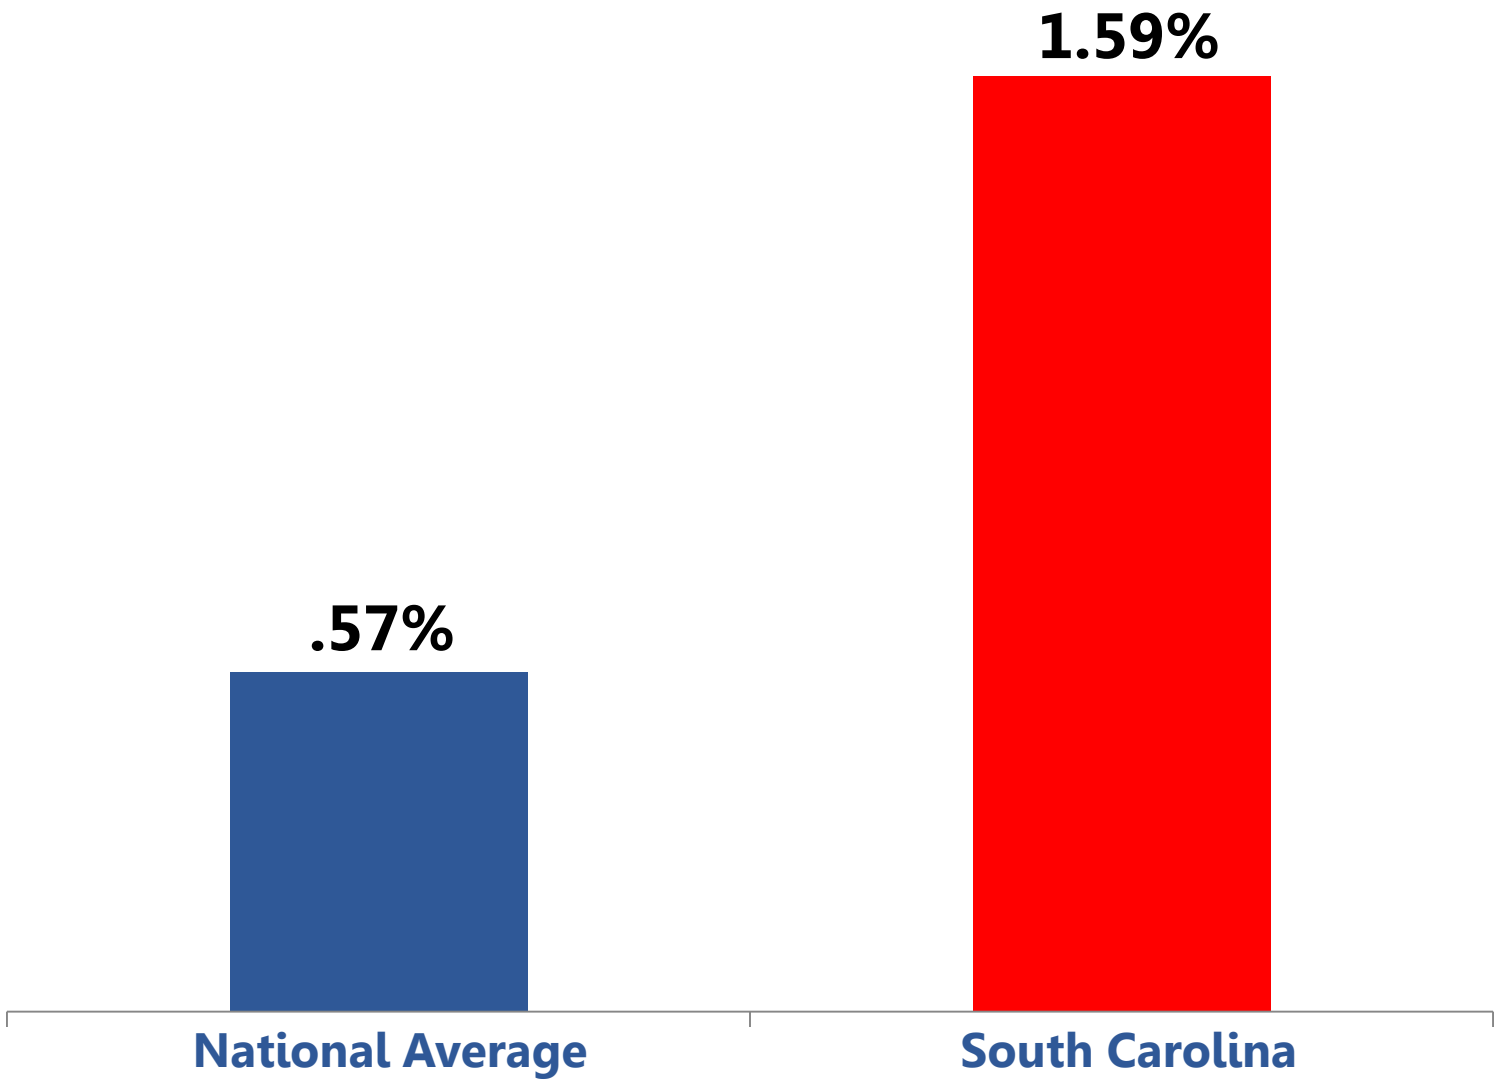


SC PENSION FUND FEES & EXPENSES



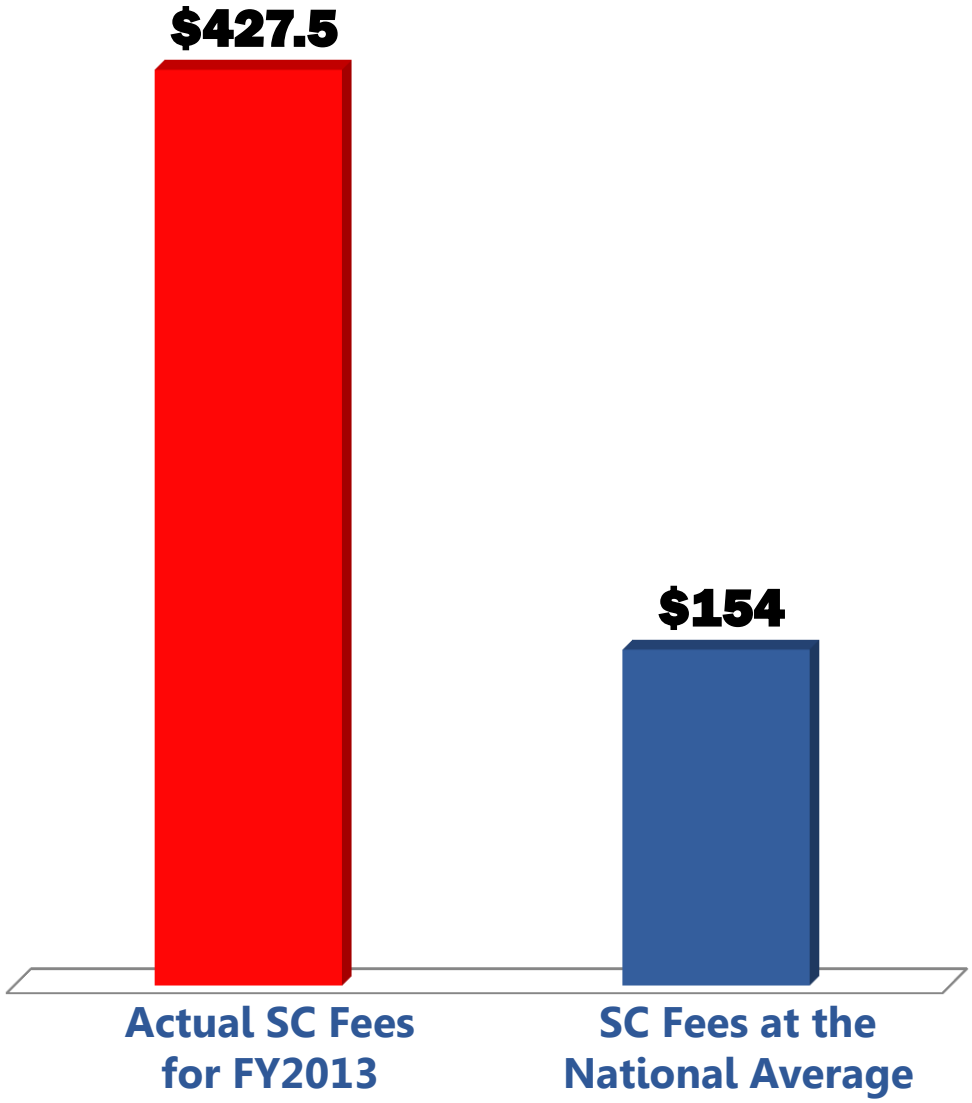
2013 INVESTMENT FEES & EXPENSES

(% of Ending Assets)



TRANSFER OF WEALTH

SC's WORKING CLASS TO WEALTHY MONEY MANAGERS



$420 million paid in 2013

minus

$154 million had we paid national average of .57%

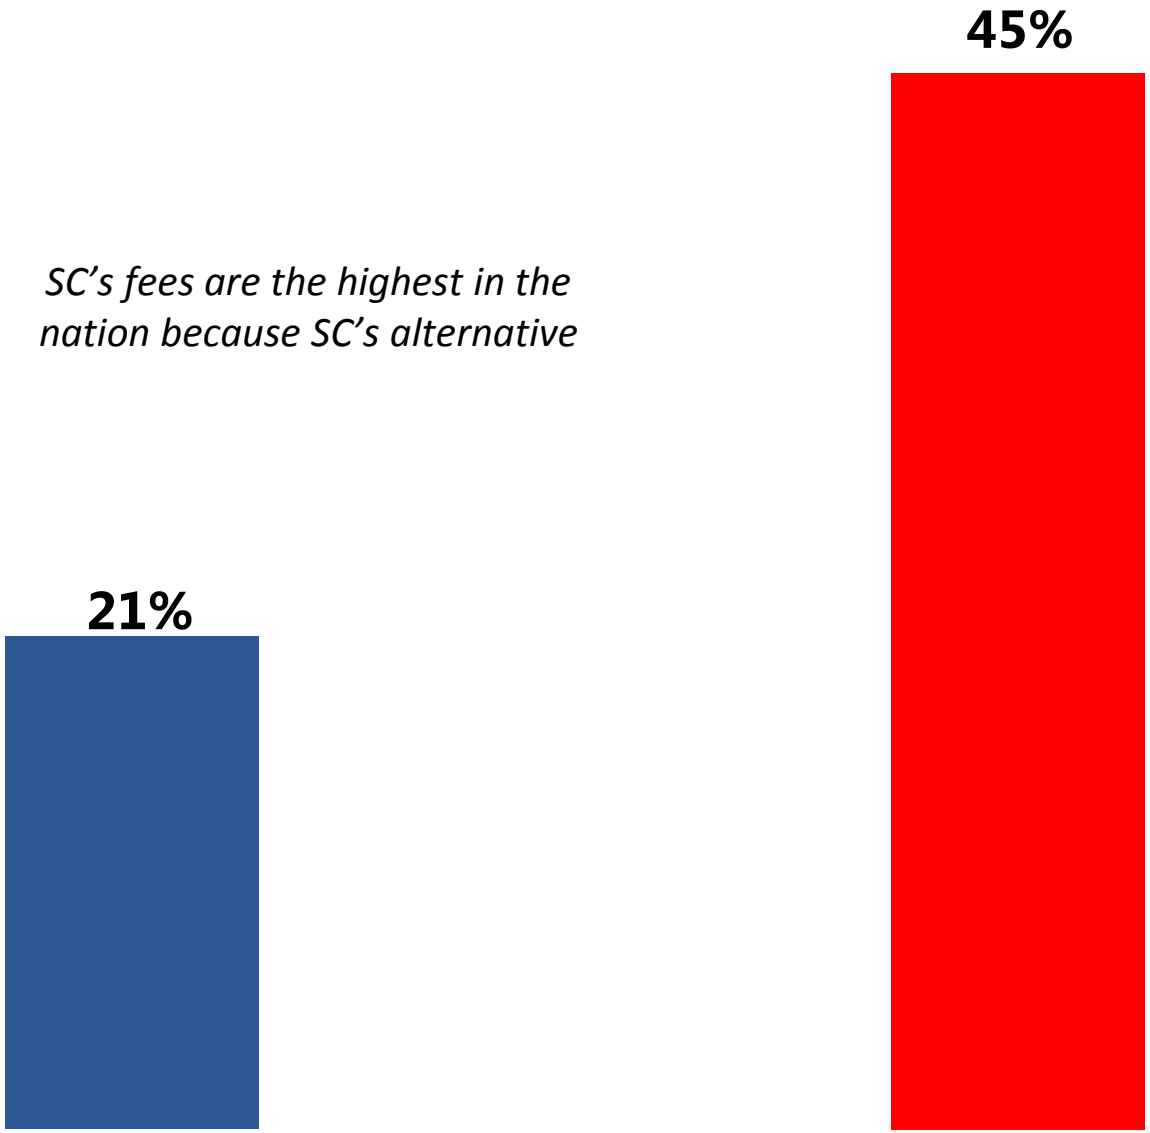
equals

$266,000,000

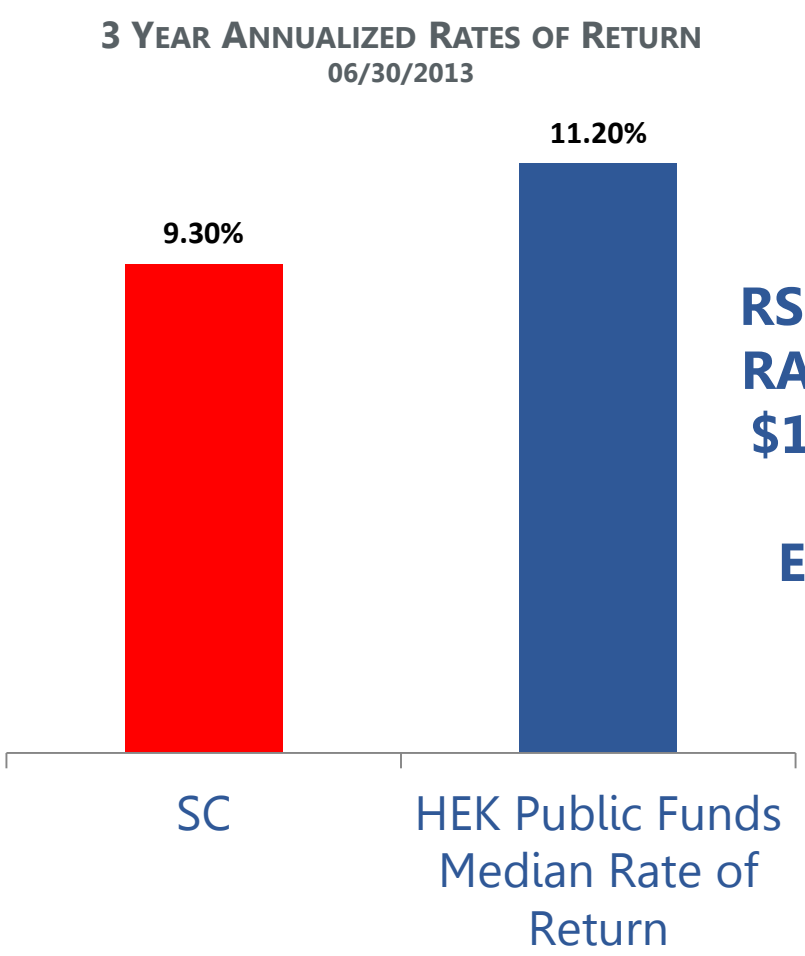
TRANSFER OF WEALTH TO WALL STREET MONEY MANAGERS

45% OF SC'S RETIREMENT FUND INVESTED IN ALTERNATIVE INVESTMENTS

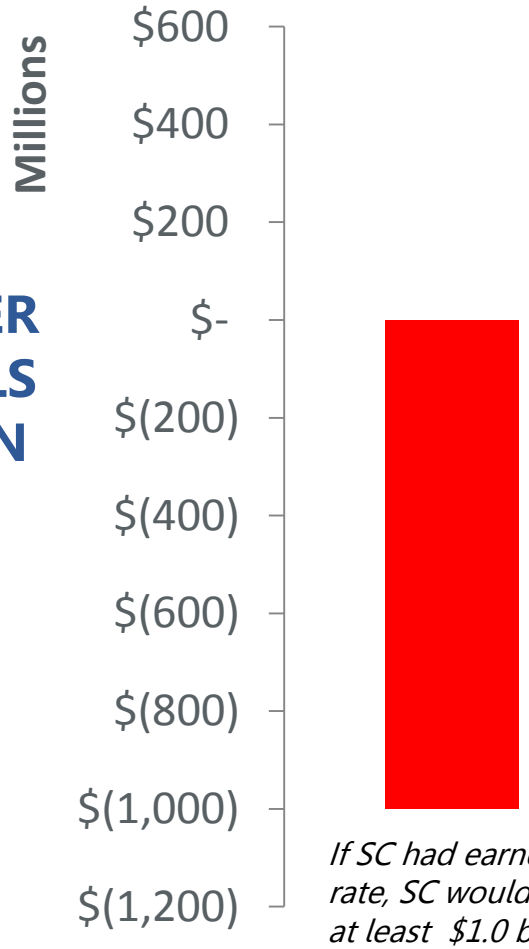
SC's fees are the highest in the nation because SC's alternative



LOST INVESTMENT INCOME FROM UNDERPERFORMANCE OVER 3 YEARS



RSIC's LOWER RATE EQUALS $1.0 BILLION IN LOST EARNINGS



If SC had earned the median rate, SC would have earned at least $1.0 billion more.
