#### Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

We are continuing to work through some current contractor quality and timeliness of work associated with fencing that has created a work stoppage and likely the need to acquire a second contractor to complete the dugout and backstop work. Backstop work has been completed. Dugouts have fencing completed, needs tops and infield items are only remaining things to be completed by the next quarterly report which would be due April 15, 2024.

#### Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
